THE BOARD OF EDUCATION

These are the people chosen to guide our school through another year. They come from all walks of life—insurance and investments, business professions, and farm custom work—so they truly represent the community. Through their efforts and planning we have completed another successful year. Their unselfish devotion to the school is worthy of our applause and gratitude.

Secretary, Mrs. Gladys Raabe; Board Members, Jesse Leonard, Harold Conover, Ivan Blackmer Superintendent "Duke" Christie; Board Members, Ray Bagenstos, William Walker; Treasurer, Mildred Jackes.

THEY PROVIDE US FOOD FOR THOUGHT

Again this year as in the past, Mrs. Obrecht headed our able hot-lunch staff. Serving hot lunches to an average of 270 children a day, they performed an admirable job. With one of the better-equipped school lunchrooms in Northwest Iowa, the children certainly make good use of it.

Dishing out the food to the hungry people were Mrs. Carnes, Mrs. Stewart, and Mrs. Branco. Those high school students helping out included Mary Ann Kreutz, Shirley Tharp, Joan Cipperley, Ardis Cipperley, Dorothy Werner, Shirley Scherner, Lloyd Glawe, De Witt Gries, Wayne Nelson and Dean Hammer.

THEY SERVE US THROUGH EFFICIENCY

We would like to express our sincere appreciation to the janitors—Mr. and Mrs. Leinbaugh, Larry, and Mr. Barghols—for their ceaseless efforts to keep our school clean and in order. Big feet and small were continually tracking in dirt but under the vigilance of our janitors, both our school and our auditorium were kept shining and clean.

SLEET OR SNOW, RAIN OR SHINE, THEY ALWAYS GET US THERE

Twice a day, five times a week our bus drivers made the rounds picking up and delivering school children. Through bad weather and good they continued to get the children to school. For their good job they rate a hearty thanks.

SENIORS HAVE PROMISING

Our last year in high school we were as busy as bees, filling our heads with all the knowledge we could get, for we were soon to be on our own, some of us on to college and others to work.

Our class sponsors, Miss Stoner, and Mr. Piper, told us that we would have a busy year ahead of us and that we would need some reliable officers. We put our heads together and came up with Martin Lohff—President, Joanne Carstens—Vice President, and Bob Martin—Secretary-Treasurer.

To start the year off, on Initiation Day the freshmen entertained us, in the morning and that night at our dance, too.

PLANS FOR THE FUTURE

A large part of the year we worked on trying to put out a good school annual. Each person had an assignment, and many long hours were put in by many. We served at the football games and the Holstein Relays; so that our book wouldn't show red at the end of the year. And many of us put in extra hours during May and April to show the public that our class really has talent by putting on the play, "Out of This World."

A certain day rolled around when no senior appeared at the school house. Yes, we had gone on the unforgetable "skip day."

And now Baccalaureate and Commencement will be two big moments in our lives when we take the final steps in our high school story.

GOAL IS IN SIGHT FOR JUNIORS

The juniors organized this year under the careful direction of Miss Vollstedt and Mr. Gerber.

They presented their 3-act class play "Finders Creepers" early in the fall under the capable direction of Mrs. Christie. The play meant hard work and sacrifices but it brought a lot of fun and cherished memories of that final "big night."

Contributing more than its share of athletes, the junior class offered 14 boys to football, 5 lettermen to the boys basketball squad and 10 letter-winners to the girls' team.

The highlight of the year though for the juniors was the Jr.-Sr. Prom. It was the big night when juniors, seniors, faculty and guests gathered in the gymnasium-auditorium for the last big event of '54. Treasured memories and pleasant day-dreams will long be centered around that night.

SOPHOMORES TAKE LARGE STEP FORWARD

The sophomore class started the year with a bang by giving the second dance of the year which was held the night before Halloween.

Mrs. Jatho and Mr. Tallman, our class sponsors, did a fine job by helping us with suggestions for our two dances and the concessions at the Holstein Relays.

Our class has done exceptionally well in sports and other extra-curricular activities.

We also served at the Holstein Relays meet to help fill our treasury for the coming year.

Freshmen

Striving Up The Ladder Of Success

Moving up one floor higher we find that Mr. File and Mrs. Christie were to be our class sponsors. In our first meeting we chose Ruth Bergmann our president, Dennis Kolb our vice-president and Patsy Keitges our secretary-treasurer.

After initiation day we became a part of the working body of Holstein High School and proved this when we entertained the high school at the third dance of the year.

We soon found that not only were we freshmen but also a part of our high school as we entered into the fields of sports and music. We helped put out our school paper and were active in the Pep Club.

Nobody likes to have the books show that they are in the red, so we decided to make our treasury box richer by selling magazines. Everybody got his best sales talk ready and we began selling. Now with a little money behind us you will find us back at our desks next term to make another mark in our school.

And the Presses Rolled

The Hi-Larity really "rolled" this year under the capable direction and supervision of Mrs. Christie, assisted by a competent staff.

Sixteen publications were made with special issues at Christmas and graduation time. Special emphasis was placed on pictures, and more were used this year than ever before.

Assignments were usually made on Monday, and the "deadline" date was set for Wednesday. After all copy had been checked, typed, and re-checked, the "raw materials" were taken to the Advance office, where, under the capable management of Mr. Harland Hanson and Mr. Bruce Bye, they were woven into publication form.

The Hi-Larity is prepared and produced by Holstein High School members, and they can well be proud that they possess a paper which contains the "most recent" in local gossip; "most spectacular" of sports events; "most highest" of honor rolls; and "most variety" of copy in general.

The staff for the school year of 1953-'54 were as follows:

Cheers for Our Old High

The first thing the 1954 Pep Club, under the sponsorship of Mr. Rosenberger, and presiding officer, Janice Conover, did after organizing was to have the student body select six cheerleaders from the twenty who tried out. After the cheerleaders were ascertained, the Pep Club was really on its way. Members appeared at games in the traditional orange and black, wearing booster pins (which the club sold to provide adequate funds for the season) and waving orange and black streamers as Holstein again and again brought home the victory. This enthusiastic group left no doubt in anyone's mind but that they were out to help their team win.

Perhaps one of the biggest events on the Pep Club's roster was the solemn ceremony they provided for the 1954 Homecoming royalty. After the crowning, an enthusiastic pep rally was held with refreshments provided by the club.

During the course of the athletic season, the student body was presented several hilarious skits, the object of which was to stir up that good old school spirit. Perhaps the favorite of these was Liberace and his Trio (composed of male faculty members) which surely will never be forgotten.

To end the school year, the Pep Club again participated in a big event—the crowning of the Holstein Relays Queen and her attendants.

The 1954 Pep Club can truly be said to have played a big part in the events of H. H. S. during the year, not because of their large membership alone, but because of the energy and hard work each member was willing to put forth in active participation.

New Members in the Band????

Guided and directed by Roy Tallman, the high school band reorganized for the football and concert seasons.

The marching band performed at all home football games and also played for Pancake Day. The biggest high light of the marching season was attending the annual Morningside College Band Day at Sioux City, October 3. The show was held in connection with the football game between Morningside and North Dakota State. Holstein was one of thirty-seven bands that participated in the pre-game ceremony and the massed band presentation at half-time.

The high school band presented the second annual Pop's Concert to a large audience January 29.

The band is also divided into two smaller bands, the pep band and the show band, the pep band playing for all home basketball games and the show band playing for the junior class play, homecoming coronation, and the advanced Home Economics Style Show.

Two of our band members, Martin Lohff and David Bircher, played in the All-State Band at Des Moines.

March 28 and April 4 a music recital was held in which the small groups presented the numbers they were preparing for the contest April 9 and 10.

The mixed quartet who qualified for the All-State Chorus in Des Moines, sang for various groups during the year and for their contest number rendered, "Remember Thy Creator."

The boys' ensemble, or Harmaniacs, sang, "Song of the Western Men" for the contest. During the year they sang for the Woman's Club, the homecoming pep rally, and the Methodist men.

The girls' trio sang for the band concert, and adult education school, Eastern Star, and Nacirema. "Within Dreaming Harbor" and "Brown Bear" were their contest numbers.

"The China Figure" and "Blue Are Her Eyes" were sung by the sextette for contest. During the year they sang for Wesleyan Guild, Woman's Club, Eastern Star, and the adult education school.

The boys' glee club sang "Bless the Lord" and "Ride the Chariot" for contest. They also sang at the Methodist Father-Son Banquet.

The mixed chorus sang "Oh Rejoice Ye Christians" and "Remember Thy Creator" for the contest.

The boys' and girls' glee clubs sang for the Mothers' Day program, while all of the groups sang at the Christmas vocal program and at the Spring Concert. The mixed chorus, boys' ensemble, and mixed quartet sang at the Chamber of Commerce Christmas program.

Another of the activities of the vocal groups was the magazine campaign where they worked to earn money to pay for their robes. They accomplished their aim so that now the vocal robes really belong to the vocal groups.

THE FOOT

The Pirates this year won four games and lost five. Against Correctionville and Alta the team looked inexperienced and ragged; but again, against Kingsley, Ida Grove, and Odebolt, the boys showed a lot of know-how and power. Perhaps the most characteristic game of the season was the homecoming game. In the first quarter the Pirates were out to win. Playing the kind of ball they should have exhibited all season, they completely smothered a bewildered Dunlap team. However, in the second half, the boys let down, and consequently were almost beaten. This seemed to be a fatal tendency of the Pirates that they couldn't overcome all season. In the Maple Valley Conference the Pirates ended up in the second position, losing a

heart-breaking game to a Kingsley team in the final minutes, after dominating the play all the way. In the opening minutes of that game Holstein drove to within Kingsley's twenty yard marker, only to have a pass picked off. And on one of those plays that happen only once a season, the opponent completely reversed the situation, setting the team up for a touchdown and preventing them from being scored upon. SEASON'S PLAY

Starting out the season right, the Piratettes in a clinic game defeated Renwick to a tune of 63-42. In this opening contest the girls exhibited a brand of ball which told the fans that they were going places.

While the season progressed, the Piratettes did just that. The Piratetts' only tough opposition during seasonal play was handed them by the good Whittemore team, but they managed a 44-42 victory. Other prominent teams which the girls whirled past were the Anthon, Washta, Hartley, Galva, and Sanborn squads. The Piratettes, by whizzing through their scheduled games undefeated, became the Maple Valley Conference Champs.

Tournament play opened first with the Maple Valley Tournament, which the Piratettes breezed through by brushing off Galva, Battle Creek, and Arthur.

Next in line came the Sectional Tourney where the State Tournament climb began. The first tourney step was made by dropping Early, Galva, and Ida Grove respectively to advance to the District.

In District Tournament play the Piratettes overcame Ireton and Blencoe, only to meet the strong Washta team in the finals and hand them their second defeat. Thus the girls, as District champions won their way to state.

As one of the sweet sixteen the Piratettes goal now was the state championship. In the opening game Marengo was the victim of Holstein and in the second round it was Tingley, whom they barely squeaked by. Advancing to the semi-finals the Piratettes, on a cold night, met their one and only defeat of the season, handed them by the State Champs, Garnavillo. In the final game Holstein again was victor by stopping West Liberty 64-52, and returned to Holstein the State Consolation Winners.

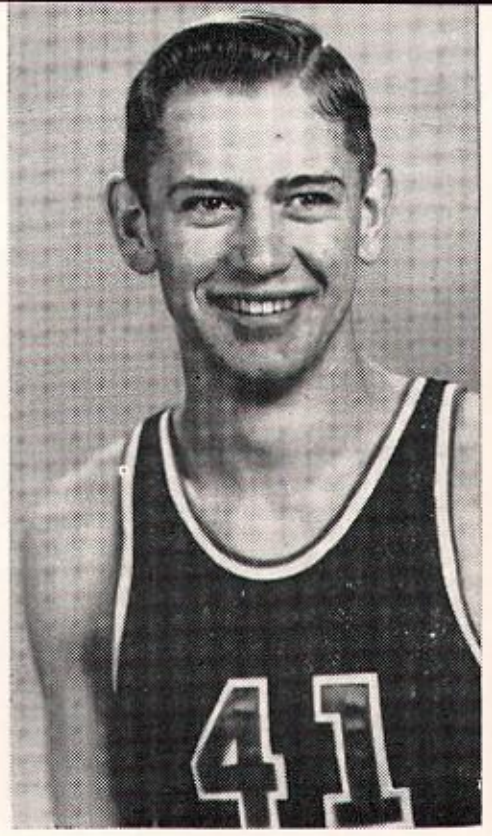
CHARLES NONEMAN

Guard

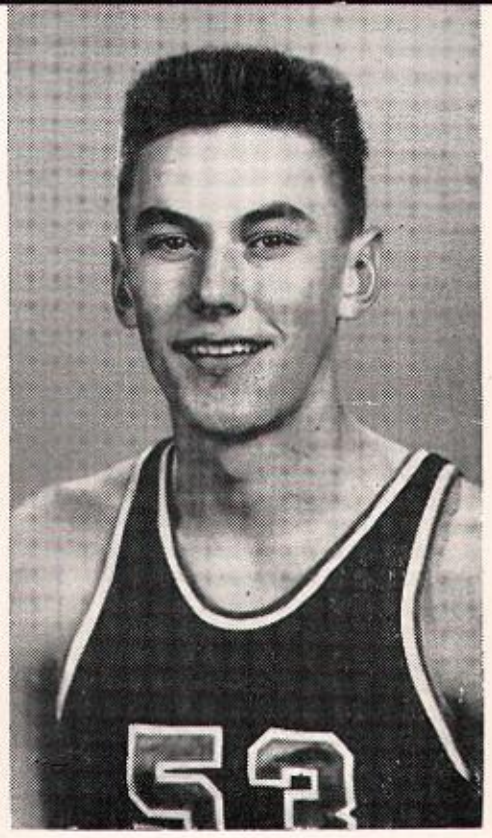
Very good team player, a good shot, and tdicky dribbler. 2nd major. Total points—138. Average—8.1



KENNETH WALKER

Forward

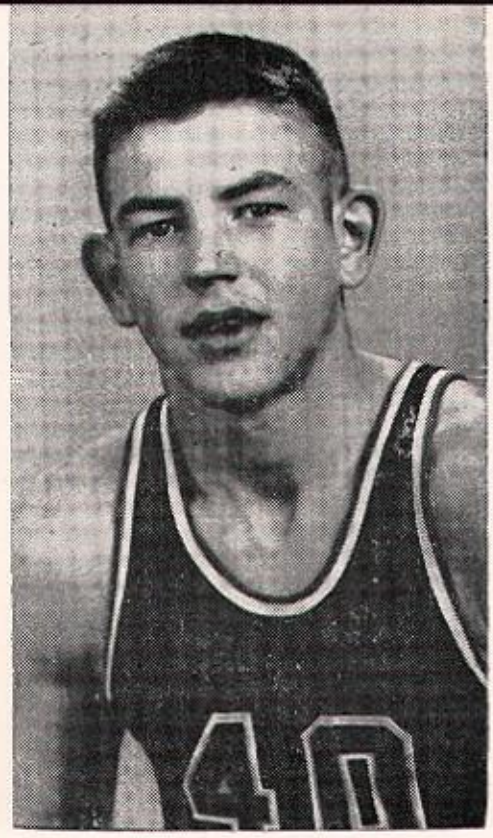
A reliable passer, good dribbler, and has a good set shot. 1 minor, 1 major. Total points—43. Average—2.9



KENNETH KRUSE

Forward

Uses his height to good advantage. A smooth, all around ball player. 2nd major. Total points—88. Average—5.51



HIRAM LEONARD

Guard

Reliable passer and shooter; good boy to have. Will see lots of him next year. 1 minor, 1 major. Total points—31. Average—2.2

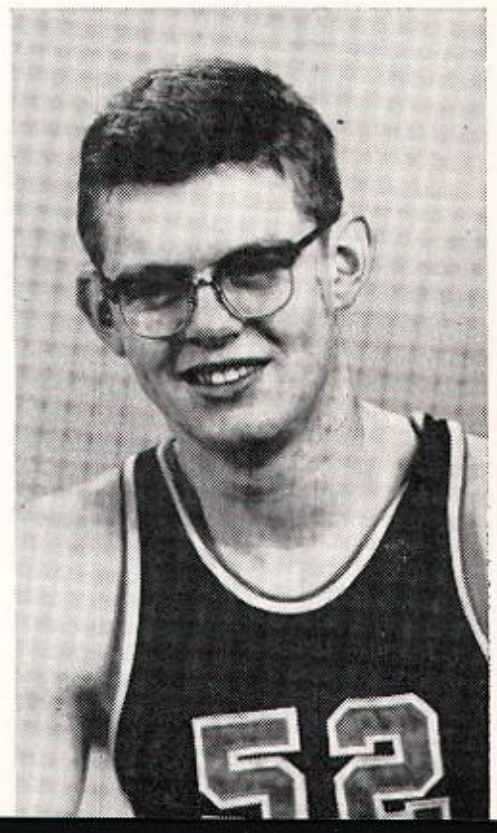
BOYS' BASKETBALL

The Pirates won 5 and lost 14 during the season; however this does not give a true picture of the team. For instance, C'Ville, one of the top teams in Northwest Iowa, beat our boys by only three points the first game and only one point in the second encounter. Danbury, the Maple Valley champs, were beaten both times by the Pirates. The brand of ball improved considerably throughout the season. This came through game experience and hard work.

OTTO HUESCHEN

Center

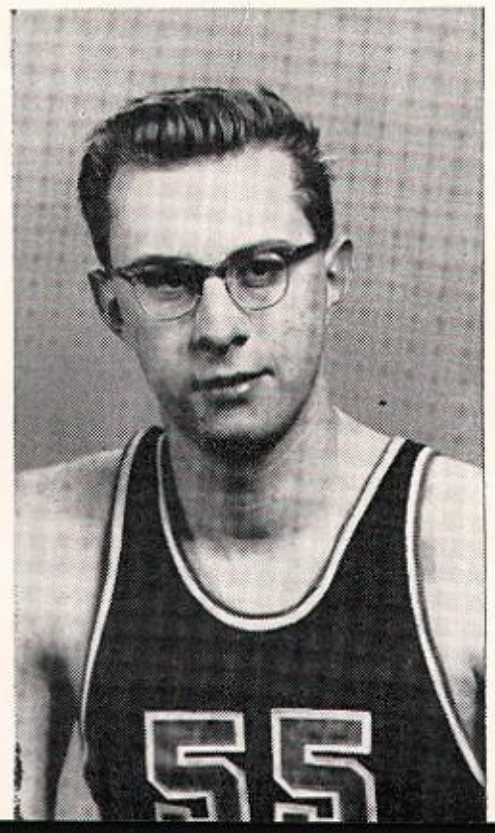
Fine rebounder and feeder. Did very well on those tough center jump shots. 3rd major. Total points—128. Average—7.5



BOB MARTIN

Guard

A smooth ball handler and good set shot man. Had needed speed for those driving lay-ups. 3rd major. Total points—154. Average—9.1



ROGER HASS

Forward

Good ball handler. Has one of the finest set shots we've seen. 2nd major. Total points—260. Average—15.3

MAPLE VALLEY TOURNAMENT

SECTIONAL TOURNAMENT
We 43 — Ida Grove 47
(overtime)

In the Maple Valley Tournament the Pirates lost a thriller to Galva by one point, 43-44. The two starting guards collected two points between them, further illustrating that the boys weren't overloaded with luck.

In the sectional play we lost by four points in an overtime to Ida Grove, the only other class A school in our sectional. The Pirates counted eight points at the start before the Hawks started clicking; at the half the boys led 22 to 19. With only seconds to go in the regular time, the Pirates took severol shots, both from the charity lane and from the field, but couldn't connect.

Holstein had a large number of entries in the speech contests this year. In fact, so many students were interested that a school elimination contest had to be held.

Participating in the school elimination in the interperative reading were. Barbara Irwin, reading the "23rd Psalm" and "Gypsies;" Rodson Ellerbusch, "Casey at The Bat" and "Trees;" Ronald Meier, "Arrows" and "Village Blacksmith;" Jerri Jean Cole, "Patterns;" Janice Lohff, "Blueberries;" and Lois Striepe, "Death of the Hired Man."

In the Humorous division were Sally Blackmer, giving "Ma at The Basketball Game;" Julie Leonard, "Gertie Gets Going;" Shirley Tharp, "Going Down;" and Shirley Michaelsen, "Why Don't You Tell Me These Things."

Of these two groups, three were chosen from each to compete in the sectional meet at Quimby on February 16. Contestants from the two groups were Janice Lohff, Jerri Jean Cole, Lois Striepe, Julie Leonard, Sally Blackmer, and Shirley Michaelsen.

Also entered at Quimby in the oratorical division was Dorothy Irwin, with "Why?" and Wayne Nelson in the radio speaking division, with "Television in Color."

Proceeding to the Pre-District Contest at Mapleton on March 16, were Janice Lohff, Lois Striepe, Jerri Jean Cole, and Shirley Michaelsen.

As interperative reading contestants' selection must be changed with every advancement, the three entries gave "Home-Burial," "Patterns," and "Ballad of Hell," respectively.

Advancing to the district contest at Paullina on March 24, were Jerri Jean Cole and Shirley Michaelsen. At this contest Jerri Jean gave "Death of the Hired Man" and was given a I rating, entitling her to go on to the State contest to be held at Waterloo on April 23.

Holstein High School was also very proud to have one of its members, Helen Jones, a senior (absent from the picture), attend the State D.A.R. contest at Des Moines this year. Helen won previous contests, and was one of the five finalists in the state of Iowa.

"GREENIES" INITIATED

As we look back to the morning of Sep--tember 22, we see the freshmen have also made some progress.

They now feel a part of Holstein High School and not like the "greenies" they did on Initiation Day.

On the morning of September 22 we saw the freshmen coming to school as comic strip characters plus tomato earrings, an onion necklace, a man's work shoe, a lady's high-heeled shoe, and carrying a paddle and a sack of candy for the seniors.

As soon as each senior had covered his "charge" with plenty of lipstick and corn starch, the seniors climbed aboard a flatrack for a ride through Main street and back to the park (the freshies providing the power). At the park there was a mock wedding, an egg fight, a paddling ceremony and a contest of putting out a fire by spitting on it.

In the evening the seniors entertained the high school at the Initiation Dance. The seniors took this opportunity to do a final bit of initiating the freshmen and new teachers.

ROYALTY OF '53

PEP CLUB SKIT

ROYALTY COMING DOWN THE AISLE

HOMECOMING OF '53

The coronation festivities, high lighting the 1953 football season, began Thursday evening, October 1, with three skits. The Pep Club staged a pantomime predicting the outcome of the Homecoming game. The freshmen presented **Dunlap's Funeral**, and the last skit, "Com'ny Tention," was given by the boys' lettermen.

Eight boys, known as the Harmaniacs sang "Brothers Sing On" and 'Joshua Fit the Battle of Jericho."

Then came the most important event of the evening—the coronation. Preceding the royalty, boys and girls of the Pep Club entered the north end of the gym, wearing Holstein jackets and carrying candles. They formed an aisle for the royalty from the door to the stage.

Shirley Tharp and Martin Lohff, Marilyn Goettsch and Otto Hueschen, the two attending couples preceded the Queen, Joanne Carstens, and the King, Bob Martin. The queen's attendants were presented with corsages of roses; the king's attendants with carnation boutonnieres.

Bill Rickard, King of '51, crowned the King. Shirley Bergmann Friedrichsen, Queen of '52, crowned the Queen. Queen Joanne received a corsage of rosebuds and white carnations, and King Bob received a carnation boutonniere.

After the ceremonies the crowd congregated behind the gym where the traditional dummy was burned in a big bonfire. The cheerleaders led a few yells, and cocoa and apples were served to the student body.

"HAWAII"

Promptly at seven the doors of the gymnasium-auditorium were opened to give everyone a view of "Hawaii."

The music of Del Clayton and his orchestra echoed throughout the "islands" which were divided into a ballroom, lounge, and barroom. As the couples danced, palm trees swayed and the water lapped on the shore. When the couples had finished their dance, they retired to either the lounge or the barroom. In the lounge, television provided the entertainment while in the barroom punch, potato chips, and sandwiches were served by the eight freshmen. Acting as waitresses and waiters were the freshmen: Marilyn Stoneking, Nancy Michaelsen, Deanna Goettsch, Carol Breyfogle, Don Gerber, George Hueschen, David Bircher, and Dean Hammer.

During intermission, Martin Lohff, the president of the junior class, crowned Joan Schroeder and David Leonard as queen and king. Joan received a bouquet and a string of pearls while David received a boutonniere and an identification bracelet.

Mrs. Mytrue and Mr. Piper, the class co-sponsors, were given a matched jewelry set and matching cuff links and tie clasp respectively. They also received a bouquet and a boutonniere.
